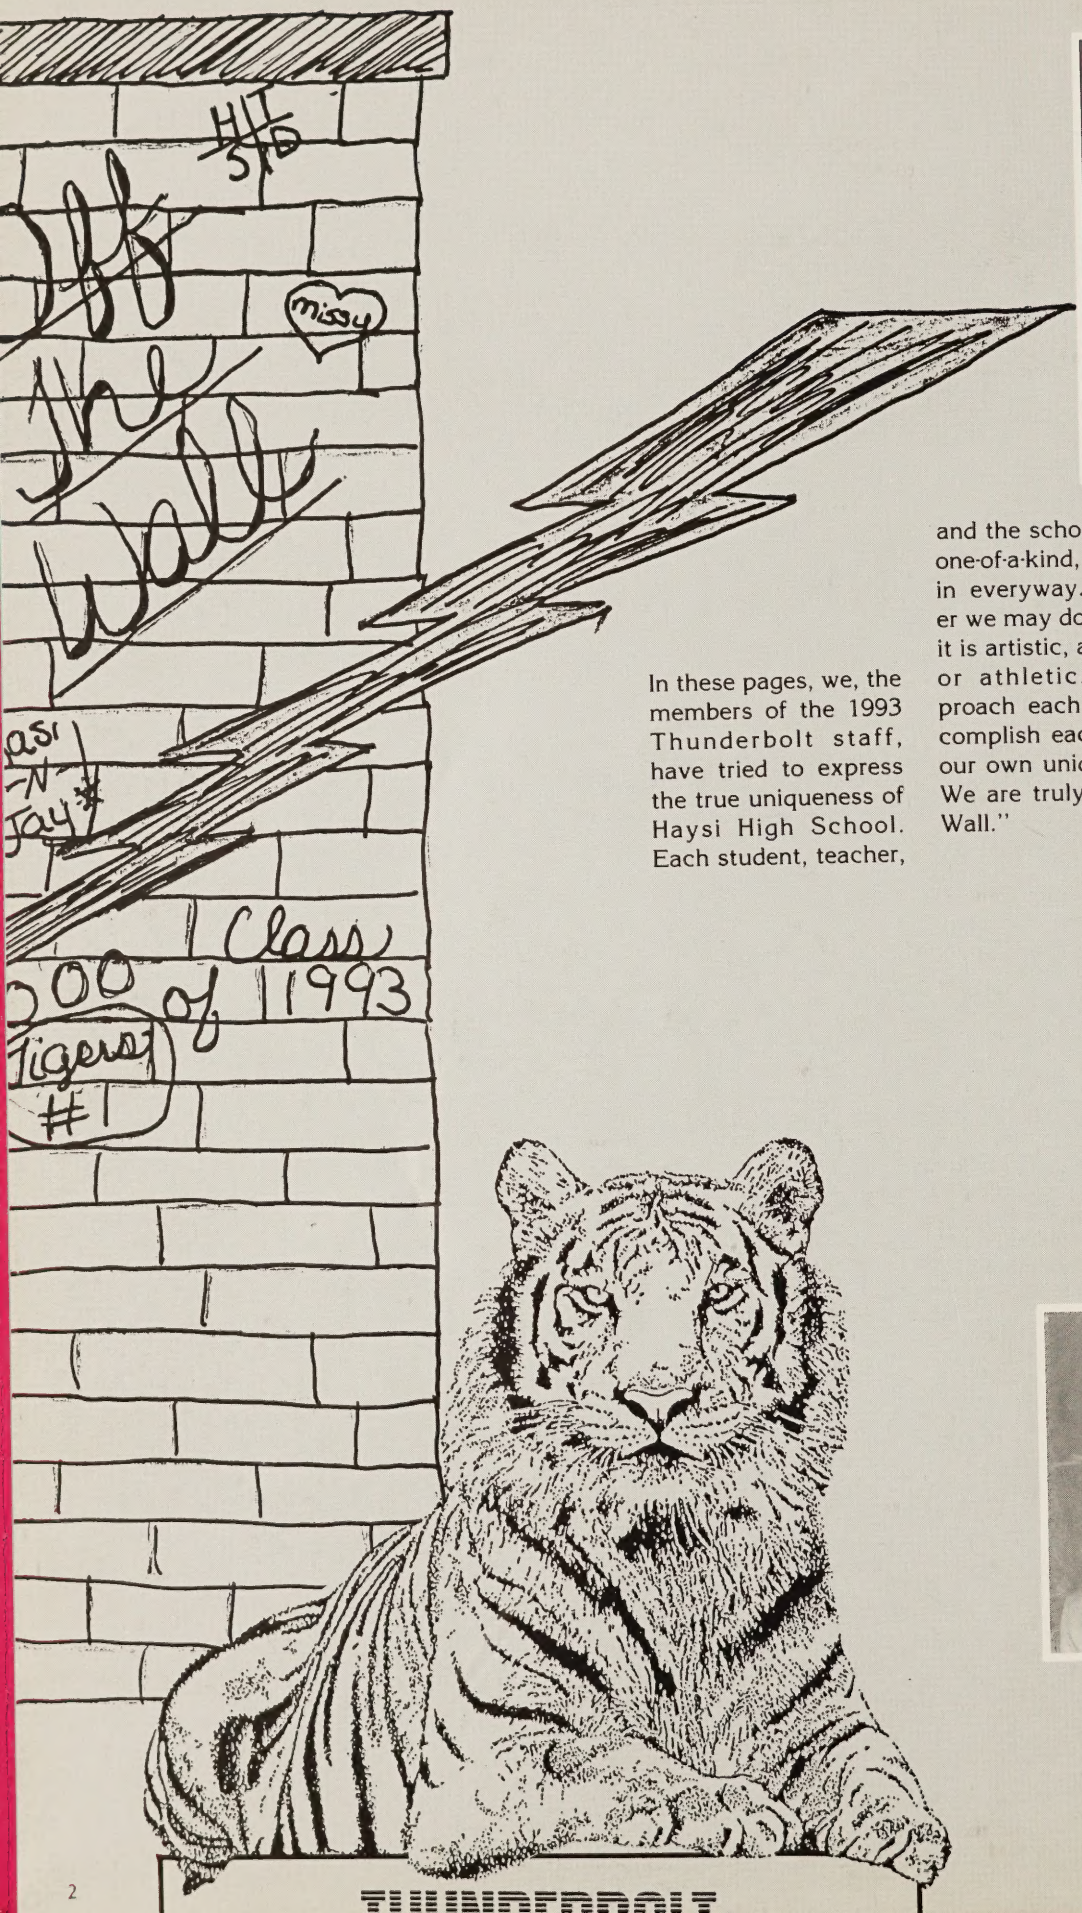
The Best of 1993



In these pages, we, the members of the 1993 Thunderbolt staff, have tried to express the true uniqueness of Haysi High School. Each student, teacher, and the school itself is one-of-a-kind, different in everyway. Whatever we may do, whether it is artistic, academic, or athletic, we approach each task, accomplish each goal in our own unique ways. We are truly "Off the Wall."

1993 Teacher In The Spotlight

In the mind and heart of every senior of any senior class, there is one teacher who stands out among the rest. The 1993 yearbook staff would like to spotlight a teacher who, during her 10 years of service at Haysi High School, has affected her students in her own special way.

By going beyond her duties as a teacher, she has benefited our school through her efforts in sponsoring Creative Writing, the Beta Club, and Forensics; she has benefited her students by being a formidable, but reasonable teacher; beyond that, she has served as an inspiration, nurse, and friend to many.

And even if, from time to time, a disagreement has occured, she is a teacher we respect and admire, and one that we will miss when we are gone. She is a teacher who will not soon be forgotten. For all your dedication to us, we would like to dedicate this edition of the *Thunderbolt* to you, Mrs. Debra Colley.

Different . . .

The class of 1993 is filled with a variety of people
Our uniqueness shining through.

Difference . . .

Despite all our differences and hardships, strong friendships have grown, and from them stem our special memories.

Differential . . .

Soon everyone will part their individual ways, but with all the distictive choices, one thing remains the same —

The memories of us growing up with each other will always bind us together.

I would like to congratulate you, the senior class of 1993, for your successful completion of high school. I applaude you for your many accomplishments and wish you every success in the future. Before you leave I would like to share with you some of the appropriate four letter words I hope you have learned while at Haysi High School.

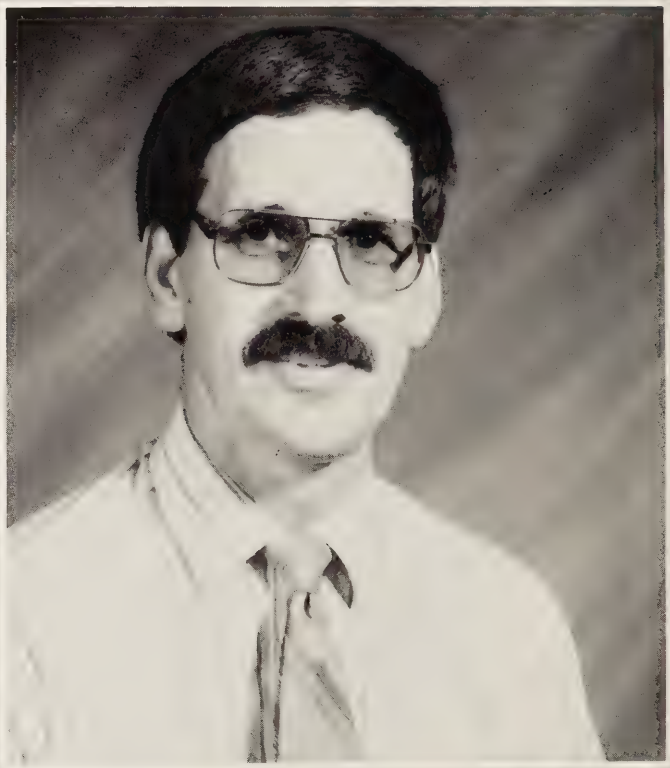
First, there is *work*. I hope you have learned that hard work can be rewarding and that you are prepared to work hard to achieve greater things in the future. Your willingness to work will determine how successful you will be in whatever vocation you choose.

Second, there is *love*. I hope that you have learned to love yourself and to respect others and be genuinely concerned about their welfare. Your relationships with others will be of great importance to your success in the future.

The third word is *hope*. I would like to leave Haysi High School with a hope that will give you the courage and wisdom to succeed in spite of the challenges that you will face. I share with you the dream for a prosperous and meaningful future.

George W. Rasnake

George W. Rasnake



To the Senior Class of 1993:

You are graduating into a world filled with uncertainty, a world with a very bleak outlook for the job market. You have reached one of life's milestones in preparing you to meet this tremendous challenge; for this achievement I offer hearty congratulations.

From here your path will get steeper, but as I look at each of you, I see determination and character behind those faces, and I feel you have prepared well for even higher education and higher goals.

I look forward, in anticipation, to hearing of your successes in the future. I am proud of you!

The team this year is made-up of only 2 Seniors and 10 underclassmen with only 1 lettermen. That statement alone with the last 3 years of state tournament appearances could drive a coach to crying the blues. "NOT"

The team this year has a burning desire to work and learn the game of basketball which has been a revival of sorts. We will still be playing the same type of basketball that our fans have grown to enjoy and our players like to play. The results may not be as rewarding this year, but hopefully the positive outcome will be seen in the future. The young players should gain plenty of experience and by tournament time we could be competitive with the other leading teams.

WINS-11 LOSSES-11

The 1992 Varsity Girls Basketball Team had a productive season considering that they had to rebuild from the loss of last year's Senior starters. The opening game of the season pitted the Tigers against Clintwood's Lady Greenwave at the Coeburn Invitational Tournament where the Lady Tigers came out with a 2-1 record, defeating Clintwood and Coeburn but losing to Pound.

At the halfway point into the regular season the Lady Tigers were tied for first place. As the regular season ended, the girls dropped down to fourth place with a 11-0 record.

In the BDD Playoff Tournament, the Lady Tigers battled Garden and suffered a disappointing loss to end their season. The final record for the Lady Tigers was 11-11, with a .500 average. Each game was played competitively, and the Lady Tigers proved to all that they have a lot of heart.

19* Haysi Baseball *92

The 1992 baseball season was very successful due to a large number of experienced players and dedication to reaching goals set prior to the season. The Tigers returned to regional play after a three year absence and obtained a fine record of 10-4. The 1992 Tigers were led by a team dominated by Seniors. All nine starters were seniors. These boys were: Jeff Owens, Kevin Edwards, Scott Childress, Sean Beller, Jay Hackney, Dave Bailey, Brad Counts, Chris Sutherland, and Brian Yates. The pitching staff was led by Dave Bailey, Jay Hackney, and Manus Musick. The 1993 team will have to gain experience rapidly to match the feats of the 1992 team. But with hard work and determination, reaching the regionals will be a possible result. Highlights of the '92 season were wins over Honaker for the first time since they joined the Black Diamond District, and a hard fought game with Wise.

Seniors (from left to right) Jeff Owens, Kevin Edwards, Scott Childress, Sean Beller, Jay Hackney, Brad Counts, Chris Sutherland, Brian Yates, and Dave Bailey.

1992 Haysi Girls Softball

The 1992 Girls Softball began their season unsteadily by losing two of their first three games. After much hard work, the Lady Tigers gradually gained confidence, and became BDD runner-up.

The 1993 Girls Softball team is looking to improve upon last year's record. The Lady Tigers have ten returning players, several of which will be returning to starting positions. Seven members attended a softball camp over the summer. The 1993 Girls Softball team should be the dominant team in the BDD.

1992 JV Lady Tigers

The 1992 J.V. girls basketball season was one of up and downs. We started the season strong, winning all of our scrimmages and the first 3 games of regular season. During the middle stretch of the season our inexperience resulted in some inconsistant play. We won some big games against top-rated teams but struggled at times against some weaker teams. By the end of the season we were playing well enough to be one of the top teams as demonstrated by a 1 point loss to eventual district champion, Garden, in our final district game. Overall I think this season was a valuable learning experience for all the girls, and we're looking forward to next season with great optimism.

This years J.V. boys basketball season has been one of the most enjoyable seasons I've experienced. The attitudes of each of the twelve players is a big reason for that. Their desire to work hard every day, and their unselfishness made it a whole lot easier on the coach. All twelve demonstrated great confidence in themselves, and their team mates. These attributes, desire, attitude and work ethic makes this team a success — regardless of the win-loss record — because these are the traits that will carry them far in the game of LIFE.

The flash of sequins and the glitter of stardust permeated the room, creating an aura of glamour and romance. Later in the evening the prom royalty was crowned and danced to the theme song "Set The Night To Music". Everything went perfectly, making it truly "One Enchanted Evening"

92-93 Key Club

The Key Club is a branch of Haysi Kiwanis Club. Each week a couple of Key Club members attend the Kiwanis meeting. We are often honored by a Kiwanis member attending a Key Club meeting.

The requirements for nomination into the Key Club are a 3.0 grade point average, must be in the 9th grade, and must be of good character and moral standards. Once accepted into the club you are in until you graduate unless your grades drop. Earning points is achieved by popping popcorn, parking cars, or performing other duties at school functions.

This year the Key Club has taken on several projects and intends to keep doing so. The club holds concessions at ballgames. We also help with community services such as a clean up project around the town of Haysi and the high school. Other projects have been bringing in food for the Hope House and other local charities as well.

when tomorrows become todays... and suddenly graduation, a job, college, and a home are realities, you must assume new responsibilities. Just as we do.

Because when you need electric service, we are obligated to provide it. That's why we started planning for today ten years ago. So we could supply electricity for the lifestyle you choose.

We hope we can supply electricity for all your tomorrows, too.

I hope we all get what we've been wishing for, but only when we are all out. I know school's been a drag and all, but we must look at it this way: we've all made some good friends when we needed them the most in life. I hope we all further our schooling (meaning college). Yearbook

Each year the annual staff faces new challenges in creating your own distinctive view of the school year in review. Each member of the staff is a volunteer member of a team which expresses itself in ways that uniquely reflect the diverse personalities involved. I have enjoyed working with the year members of the 1991 Tomahawk and believe that you will enjoy the results of their combined efforts for many years to come.

Heather Kime

Mrs. Charles

Missy Lester

We have tried to create a yearbook that highlights all of the events of this past year. We hope that each of you finds yourself somewhere within these pages, and that as you turn the pages, the pictures bring back special memories.

I would like to thank Mrs. Charles for all of her hardwork, patience, and love.
